Dear Chairman Miller and Ranking Member Michaud,

Thank you for your continued leadership and dedication to our Nation's Veterans. As a Veteran and a colleague, I commend the important work your Committee has done to provide oversight and investigation into mismanagement within the Department of Veterans Affairs. I appreciate the efforts and time you have devoted in recent months to conduct over 16 full committee hearings related to these issues.

I understand there are currently over 90 facilities under investigation across the country by both VA Office of Inspector General (OIG) and Department of Justice. Tens of thousands of Veterans from my District receive care at Edward Hines, Jr. VA Medical Center and Jesse Brown VA Medical Center. I am writing to request a briefing updating me on oversight activity conducted by the Committee for either of these facilities specifically.

I understand the tremendous responsibility your Committee faces maintaining the sacred trust between our Country and the Veterans who served. With this in mind, I want to make sure that I am doing everything in my power as a Member of Congress to understand the challenges my constituents face.

Sincerely,

Tammy Duckworth
Member of Congress
